

## IT'S CHRISTMAS TIME

It's time, it's time, - to play the chimes  
It's time, it's time, - to sing that rhyme

**The song that everybody knows  
And this is how it goes  
We wish you a Merry Christmas  
- And a Happy New Year**

It's time, the hour comes, - to hear the drums  
It's time, Dads and Mums, - for guitar strums

**To play the song that we all know  
At the ending of this show  
We wish you a Merry Christmas  
- And a Happy New Year**

It's late, very late, - we really can't wait  
We hear the bells and the skates  
- Someone's at the gates

**With many presents to bring  
So let's get together and sing  
We wish you a Merry Christmas  
- And a Happy New Year**
